Specialization

In the field of Traffic Accidents, a multitude of cases have been undertaken concerning compensation for injured persons and victims, ensuring full compensation.

Legal advice is provided for all stages of the compensation process and representation in courts and arbitrations, ensuring favorable decisions. With over 25 years of cooperation with the Intersalonica Group of Insurance Companies, we offer extensive experience in insurance law and traffic accident matters.

In real estate transactions, we have extensive experience in drafting and processing real estate purchase and sale contracts. Our experience includes providing legal advice on property rights, mortgages and transfers, as well as resolving issues related to urban planning regulations and construction.

In the context of cooperation with companies, we provide legal support in commercial and corporate law matters, contributing to the development and protection of business activities. We have experience in drafting and reviewing contracts, ensuring the interests of companies, and in managing legal issues that arise in their daily operations.

Other areas

In family law, a multitude of cases have been undertaken concerning alimony, child custody and protective measures, while in the field of divorce, comprehensive legal services are provided covering both consensual and contested divorces.

Specialization in inheritance law includes the drafting and execution of wills, the management of inheritance disputes and the provision of legal advice on inheritance cases. Reliable and effective solutions are provided to protect the clients' inheritance rights.
